### How to use the above sale links

There are 2 ways to get the best selling product links:

- Log on to your Regnow affiliate platform, go to Stellar product listing page, search for the products, go to each product details page, get the product links
- Copy the links mentioned below each product, replace "AFFILIATE\_ID" (marked in RED in the Sales Link above) with your Regnow affiliate id (numeric), Start the promotion. For product description click here and replace product ID in the task bar.

*For any queries please feel free to contact us and we will be happy to assist you.*
